

CHEESY HASH BROWNS FOR 100

10 pounds frozen hash browns
4 large cans cream of chicken soup
3 pounds sour cream
1 cup dried onion
8 cups shredded cheddar cheese
2 sticks margarine

1. Spray electric roaster generously with cooking spray.
2. Layer half the first five ingredients and stir. Thinly slice one stick of margarine over layer.
3. Repeat.
4. Bake at 200 – 250 degrees for approximately 1 hour. Stir occasionally.
5. May need to cook longer until cheese melts and casserole is warm through.
